We cannot make exceptions for teams that have players joining the team at a later date nor we will go based on what a team promises will come in the future. - All teams are required to submit their tentative team roster by the Captain's Meeting to allow for BWT to prepare the scoresheets in advance of the first game

During the regular season / playoffs / finals a change may need to be made. If this is the case, BWT will do its best to notify the team captains with as much advance notice as possible about the change, but once again it is the team's responsibility to know the schedule, the day and time of all games.
- No compensation or make up games will be arranged for a team missing a game due to reading the schedule incorrectly, failing to check the schedule regularly for any changes or failing to read the schedule once a notification has been made about a change.
